2814 Industrial Plaza Drive

Tallahassee, FL 32301

Dear Dave:

I wanted to put into writing my appreciation for your recent support of the 5<sup>th</sup> annual Madison County Sheriff's Office golf tournament to benefit the Florida Sheriff's Youth Ranches. As you may know the tournament raised over ten thousand dollars for the youth ranches. This is the largest amount that has been raised during the history of our tournament.

I can tell you that the young men and women that are in the youth ranch program thank you the most. The Florida Sheriff's Youth Ranches have an almost 100% success rate with saving these kids and turning them into productive citizens. This is the only program that I have seen that truly works when it comes to saving troubled youth.

Finally, I am especially grateful for your contribution to this event because of the fact that this is the only charity that the Madison County Sheriff's Office supports as a whole. Your support of this event is also a sign of your partnership with the mission of the Sheriff's Office. I personally thank you for this confirmation.

Sincerely,

Ben Stewart

Sheriff of Madison County
